

# HYBRID BRIM SOMBRERO

Stay cool and protected with a sombrero that offers full sun coverage around the face and neck

Klein Tools' Hybrid Brim Sombrero was designed with innovative features to provide sun protection for outdoor workers. The hybrid style lens provides a 170-degree field of view. Its wide brim and neck shade provides excellent coverage against harmful UV rays. Assembles directly into the Klein Tools hard hat universal accessory slots. High-visibility 1200D fabric, improves worker visibility in outdoor working conditions.

## WIDE BRIM AND NECK SHADE
