Two New Wire Stripper/Cutters Cut Both Stranded and Solid

Introducing two Klein-Kurve™ wire stripper/cutters designed with double-dipped comfort grips and curved handles. These lightweight, multiple-function tools can cut, strip, loop and gauge both stranded and solid wire, plus cleanly shear 6-32 and 8-32 screws. Features that make these tools easy to work with all day long.

### Features

- Narrow nose easily fits into tight places.
- Strong-gripping serrated nose; for easy bending, shaping and pulling of wire.
- 6-32 and 8-32 screw-shearing holes.
- Hardened steel with precision-ground stripping holes.
- Precision shear-type blades for clean cuts on solid and stranded copper wire.
- Holes for looping and bending wire.
- Coil spring provides fast self-opening action.
- Curved handles help reach into confined areas.
- Handy closure lock for convenient storage.
- Double-dipped comfort grips.
- Easy-to-read markings on both sides.
