

MODbox™ Tray Work Top

Streamline Setup From Blueprint To Build

MODBOX COMPATIBLE

Heavy-Duty Stainless Steel Top

Durable work surface with full-length ruler markings to meet demands of any job-site application

Steel Wireform Stand

Adjustable lid creates secure lip to prevent papers from sliding off

Internal Cubby Layout

Designed for notepads, label makers, and label rolls, keeping essentials organized and accessible

Multi-Position Design

Functions as flat work surface, angled easel for blueprint viewing, or quick access parts tray

MODbox™ System Compatibility

Enables direct integration to create an on-the-go workspace

Built-In Side Rails

Allows for small accessory attachment for convenient customization
