# Tool Organizer

## Tough Enough to be a Klein!

Introducing Klein's new Tool Organizer, designed with the electrician in mind. Designed to fit standard 5-gallon buckets, the Tool Organizer is constructed of rugged 600 x 300 denier polyester for durability. It boasts a total of 45 interior and exterior pockets that allow you to quickly and easily organize an assortment of tools.

## Features

45 total pockets designed to carry an assortment of tools.

Exterior pockets include:  
9 screwdriver/nut driver pockets,  
11 pliers pockets, 11 utility pockets,  
2 wire stripper pockets,  
and 2 Velcro® closeable pockets.

Interior pockets include:  
3 tool sleeves,  
1 power tool/cord sleeve,  
6 universal pockets.

Fits standard 5-gallon buckets.

Constructed of rugged,  
600 x 300 denier polyester  
to resist wear and tear on  
the job site.

Double layer of polyester at  
bucket edges for durability.

Heavy-duty webbing keeps  
pockets open for easy  
access to supplies and tools.

Electricians style chain  
tape thong, to hold  
multiple rolls of tape  
for easy access.

Zinc-coated rivets resist  
corrosion and provide  
reinforcement at the seams.

Water-resistant to avoid the  
buildup of mold and mildew.
