## Double-Sided Power-Return Tapes for easy elevated and flat surface measurements

Designed with easy-to-read numbers on both sides of the blade, an impact absorbing rubber grip, and a long-lasting nylon coated steel blade that resists abrasion make these new tapes a great fit for the busy professional.

### Features

Comfortable, non-slip rubber grip for easy gripping of dual-injected molded rubber case.

Thick rubber grip protects case against fall impacts.

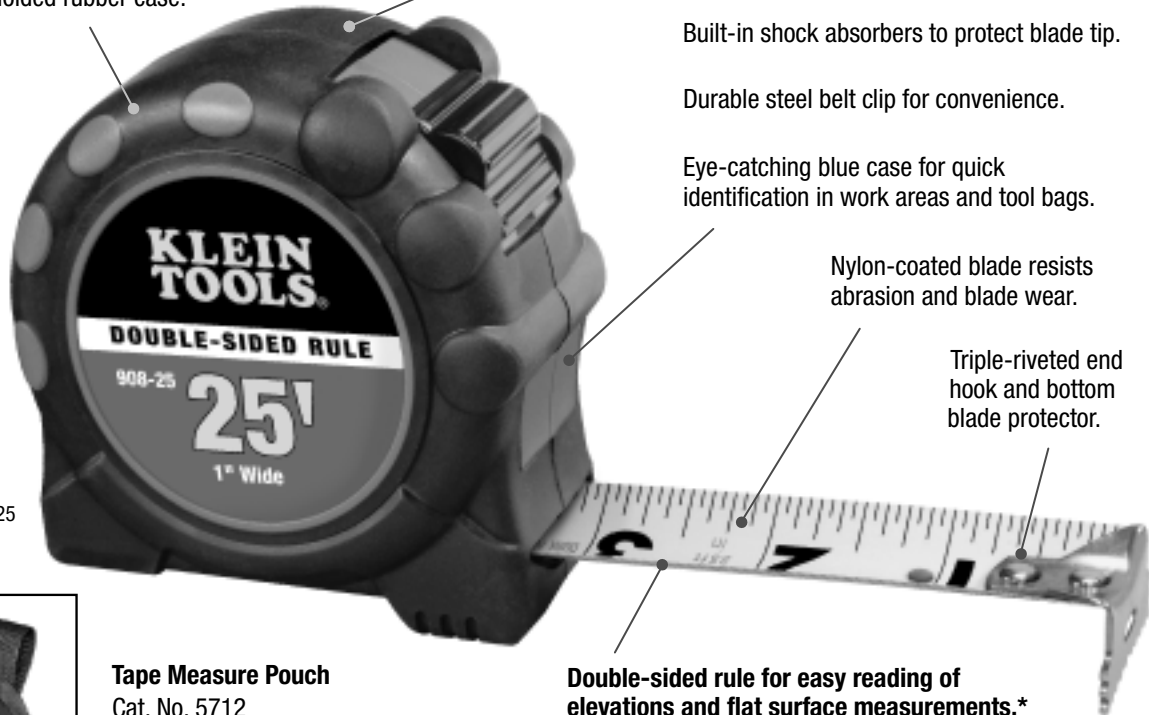

Built-in shock absorbers to protect blade tip.

Durable steel belt clip for convenience.

Eye-catching blue case for quick identification in work areas and tool bags.

Nylon-coated blade resists abrasion and blade wear.

Triple-riveted end hook and bottom blade protector.
