

Adjustable Wire Stop/Gauge for Katapult® Stripper

For use with the Katapult® Wire Stripper/Cutters (Cat. No. 11063W). Klein Tools' Katapult® Wire Stripper features a convenient stripping head, which enables professionals to easily grip and strip just by squeezing the handle. Made of cast alloy with a heavy-duty Ecoat finish for corrosion resistance and durability. The Adjustable Wire Stop/Gauge keeps the tool performing like new.
