

## Quick-Lock Tie Wire Reel

Klein Tools' Quick-Lock Tie Wire Reel is engineered for unmatched speed and efficiency. With a cutting-edge push-button and sliding latch system, this reel enables lightning-fast spool replacement, surpassing traditional models. The two-step lock ensures a secure lid connection, while the top handle allows effortless removal and quick alignment to base. The large, rotating knob offers sure grip when winding reel for right and left-handed users. Constructed from durable aluminum and featuring a corrosion-resistant black coat, this reel is designed to last.
