

MODbox™ Wire Spool Dispenser

MODbox™ Wire Spool Dispenser streamlines wire management on the jobsite. It holds up to four 500-Foot spools of 10AWG wire inside and additional reels outside via a through-hole for conduit. Front guides and wire captures prevent unraveling. The lid with kickstand stays open for ceiling pulls. Built from impact-resistant polymers, supports up to 120 pounds, and has side rails for attachments. Easily connects with other MODbox™ components for a custom mobile workstation.
