

## Slim Rechargeable Personal Work Light

Klein Tools Slim Rechargeable Personal Work Light features a compact design with 360-Degree rotation. Built-in aluminum carabiner with 270-Degree rotatability hooks onto rods for hands-free use. Dual N50 magnets mount onto metal surfaces, while the glow ring around the LEDs helps locate the light in dark areas. USB-C rechargeable with battery level indicator. Made from durable hard plastic and aluminum for work in rugged environments.
