

MODbox™ Rechargeable Worklight

The MODbox™ Area Light is a work light designed for any jobsite, with up to 1000 Lumens of output. The portable light has a MODbox™ compatible kickstand which includes 4 powerful magnets and a nail notch to mount light for hands-free use. These versatile mounting features along with a 360-Degree rotating light head allow users to direct the light where needed. The area light has 3 light output modes, with a run time of up to 21 hours and is impact-resistant, capable of surviving a 9-Foot drop.
