

## ACSR Ratcheting Cable Cutter

These Klein Tools ACSR Ratcheting Cable Cutters are equipped to cut up to 477 MCM ACSR multi-strand. They have high-leverage ratcheting mechanisms for easier cutting, and can be locked when not in use. They are size efficient as well, with a length just under 14-Inches they can be carried around in a tool pouch.

### Specifications

|                                                 |                         |                                             |                 |
