

Quad-8 Deep-Well Heavy-Duty Impact Flip Sockets, SAE, 3-Piece

The Quad-8 deep-well impact flip sockets combine 8 SAE hex sizes in 2 color-coded sockets. Small 1/4-Inch to 7/16-Inch and medium 1/2-Inch to 11/16-Inch. The spring-loaded action allows for hands-free size changes by applying pressure to the smaller socket to compress it out of the way. Compatible with Klein Tools' 1/4-Inch hex flip socket impact shaft, these Quad Sockets are a compact and convenient solution for any job.
