

## Trim and Rafter Square Kit, 2-Piece

Klein Tools Trim and Rafter Kit includes 4-1/2-Inch and 7-Inch aluminum squares with laser-etched markings and an orange anodized finish. The preset angle guides measure zero to 90-Degree while the scribe notches at 1/8 and 1/4-Inch increments enable precise markings. The 4-1/2-Inch square features a dual reference base with 1/4 and 3/8-Inch reference points. Made from lightweight, corrosion-resistant material for professional carpentry and woodworking applications.
