

## Ironworker's Pliers, Heavy-Duty Cutting, 9-Inch

The aggressive teeth on knurl of these Ironworker's Pliers provide a strong grip to easily twist and cut soft annealed rebar tie wire. Heavy-duty cutting knives cut ACSR, screws, nails and most hardened wire. The high-leverage design provides 46-Percent greater cutting and gripping power than other plier designs. The head is precision-hardened for on-the-job toughness.
