

Flame-Resistant Neck Gaiter

Klein Tools Flame-Resistant Neck Gaiter is made with FR-rated fabric that provides face and neck coverage for arc flash and flash fire hazards in high-risk electrical and utility work environments. The lightweight fabric provides FR protection without added bulk for extended, comfortable wear. Breathable 100-Percent cotton fabric feels soft and comfortable against the skin. Wear around the neck, pull up over the mouth and nose, or adjust as conditions change throughout the workday.
